

Rockville – Montgomery Swim Club at the Rockville Swim and Fitness Center

Fall 2023 - Winter 2024 Season Tryout Information

Tryouts are required for any “New Swimmer” to the RMSC, Rockville Site. A “New Swimmer” is any swimmer who did not participate in the 2022 – 2023 RMSC program at the Rockville Swim and Fitness Center.

For these swimmers to have an opportunity to join the team by being evaluated and assigned to a practice group (space permitting), the following tryout opportunities have been created: **Mon., July 24, 2023 OR Wed., July 26, 2023** Pre-registration is required (no fee charged). Registration opens on 07/03/22 at 8:30am. Only register for one try-out option. To pre-register, visit www.rockvillemd.gov/registration and register for the “course number” from the chart below. Tryouts are held at the Rockville Swim and Fitness Center (355 Martins Lane Rockville MD 20850).

Note: spaces available for new swimmers are VERY limited. Depending on returning swimmer registration, some groups may have no vacancies. Make sure to review our Program Information Packet (including group descriptions, schedules and fees) at www.rockvillemd.gov/rmsc before attending the tryout. The Program Information Packet will be posted no later than 7/20/23. Please be advised that due to the capacity constraints of the program, simply meeting group requirements does not guarantee a swimmer a place in the program.
